Joint Inventors

Declaration and Power of Attorney

We, Katsuhiro SHIMOHIRASHI, Hiroo MASUDA, Kunihiko IKUZAKI,
and Hiroshi KAWAMOTO

declare and say that we are respectively citizens of Japan

residing respectively at
Murashimurayama-shi, Tokyo, Japan; Kodaira-shi, Tokyo, Japan;
Nishitama-gun, Tokyo, Japan; and Kodaira-shi, Tokyo, Japan

that we verily believe we are the original, first, and joint inventors of the invention in
SEMICONDUCTOR MEMORY

described and claimed in the attached specification; that, as to subject matter of this application which is common to our earlier United States application, if any, described below, we do not believe that the same was ever known or used in the United States before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States more than one year prior to said earlier application, that the said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said earlier application in any country foreign to the United States on an application, filed by us or our legal representatives or assigns more than twelve months prior to said application, that we acknowledge our duty to disclose information of which we are aware which is material to the examination of this application, and that no application for patent or inventor's certificate on said subject matter has been filed by us or our representatives or assigns in any country foreign to the United States except those identified below, if any; that, as to any subject matter of this application which is not common to said earlier application, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application, and that said subject matter has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of this application; and that no application for patent or inventor's certificate on said non-common subject matter has been filed by us or our representatives or assigns in any country foreign to the United States, except those listed below, and others, if any, filed subsequent thereto:

Japanese Patent Application No. 70733 of 1981 filed on May 13, 1981 in Japan

priority under 35 USC 119 for which listed earlier filed application(s) being hereby claimed.

This application is a continuation divisional continuation-in-part of our prior U.S. Application

Serial No. _____, filed _____

And we hereby appoint as principal attorneys Paul M. Craig, Jr., Reg. No. 16,823, Donald R. Antonelli, Reg. No. 20,296, David T. Terry, Reg. No. 20,178, Charles E. Wands, Reg. No. 25,649, Donald D. Evenson, Reg. No. 26,160, Melvin Kraus, Reg. No. 22,466, James F. McKeown, Reg. No. 25,406, and Stanley A. Wal, Reg. No. 26,432 to prosecute and transact all business connected with this application and any related United States' application and international applications.

Please direct all communications to the following address:

Craig & Antonelli
Suite 600
1919 Pennsylvania Avenue, N.W.
